ARCADERS™

is an all-women & femme gaming collective and community.

We run two shows each week on Twitch, large in-person events, as well as charity fundraising events online. We strive to uplift and encourage women in gaming spaces by providing a supportive environment in which to showcase their skills!

We believe that women and femme gamers deserve a space in Esports. As such, we provide an entry point to Esports, speedrunning, and other forms of competitive gaming via our flagship show, **ATTRACT MODE!**, airing Thursdays and Sundays.

Our community is home to challenge gamers, achievement hunters, completionists, fighting game enthusiasts, tournament organizers and competitors, speed gamers, and more.

While our focus is on putting women and femme gamers in the spotlight, we believe everyone is an important part of the conversation. We welcome men and others who do not identify as part of our community to participate in ways that highlight and encourage women and femmes, whether as one-time contributors or as volunteer staff.
